PROFESSIONAL SUMMARY

Cybersecurity fresher with 11 months of virtual internship experience and hands-on exposure to SOC fundamentals, SIEM monitoring, vulnerability assessment, web application security, Linux and network security. Completed 460+ TryHackMe rooms and 100+ PortSwigger labs, with practical bug bounty and responsible vulnerability disclosure experience. Seeking an entry-level SOC Analyst, VAPT or Cybersecurity role.

INTERNSHIP EXPERIENCE

ShadowFox — Cyber Security Intern | Jun 2025-Jul 2025

- Completed practical cybersecurity assignments focused on security assessment.
- Applied vulnerability identification and security analysis concepts.
- Documented technical observations and security findings.

Cyber Secured India — Cyber Security & Digital Forensics Intern | May 2023- July 2023

- Worked on practical cybersecurity and digital-forensics tasks.
- Performed security research, analysis and technical documentation.
- Developed understanding of security incidents, evidence handling and defensive security practices.

TechnoHacks EduTech — Cyber Security Intern | Oct 2023- Nov 2023

- Performed practical cybersecurity tasks involving vulnerability identification and security testing.
- Used cybersecurity tools during hands-on security exercises.
- Applied web and network security fundamentals in practical scenarios.

Mission IT Education Organization — Cyber Rakshak Intern | Oct 2022-Feb 2023

- Completed hands-on cybersecurity activities covering security awareness and defensive security.
 - Practiced identifying common security weaknesses and documenting findings.
 - Strengthened fundamentals of Linux, networking and cybersecurity investigation.
-

PROJECTS

- Wazuh SOC Home Lab
 - CyberSentinel - Cybersecurity Platform
 - Web Security & Bug Bounty Research
-

TECHNICAL SKILLS

SOC Operation & Security, Penetration Testing, Web Security, Systems & Networking, Tools, Cryptography, Malware Analysis, Python, SQL

EDUCATION

KCC Institute of Technology and Management | 2022–2026 | CGPA: 8.25

CERTIFICATIONS & ACHIEVEMENTS

- Certified Junior Web Application Penetration Tester
- 460+ TryHackMe rooms completed
- 100+ PortSwigger Web Security Academy labs & 100+ security vulnerabilities discovered
- \$1000+ bug bounty earned & Hall of Fame 5
